Objective

I am a second-year student pursuing a Bachelor's degree in Software Engineering at African Leadership University. I am seeking an internship opportunity to apply my skills in software development(field), contribute to real-world projects, and gain valuable industry experience.

Education

African Leadership University

Bachelor of Software Engineering (BSE)

Expected Graduation: 2026

Relevant Coursework:

- Software Development
- User Interface Design
- Project Management
- Strategic Planning

Skills

- **Backend Development:** Proficient in server-side programming, database management, and API development.
- **Frontend Development:** Experienced in creating user interfaces with HTML, CSS, and JavaScript.
- **UI/UX Design:** Knowledgeable in designing intuitive and user-friendly interfaces.
- **Project Management:** Skilled in planning, executing, and overseeing projects effectively.
- **Strategic Planning:** Experienced in setting and achieving project goals and objectives.
- **Google Workspace:** Proficient with Google Sheets, Google Slides, and other tools for data management and presentation.

Experience

Greenloop

Project Lead

- Leading a project focused on integrating technology with sustainability initiatives.

E-commerce Website

front-end Developer

2024

- Developed and managed the backend of an e-commerce platform, handling server-side logic and database interactions.

PULSE

Project Admin

- Contributed to the development of an application for locating nearby pharmacies with real-time inventory data.

Various Freelance Projects

Software Developer

- Developed and maintained various software solutions for different clients.

Achievements

- **Top Software Engineering Student** — Awarded for exceptional performance and academic excellence in the Software Engineering program at African Leadership University.
- **Best Academic Project** — Recognized for a standout project (called greenloop) in the Software Engineering curriculum, demonstrating innovation and practical application of learned skills
- **Dean's List** — Achieved Dean's List honors for outstanding academic performance during 2024.
